

REMARKS

The above amendments are submitted in an effort to improve the quality of the issued patent; these amendments do not have any affect on the patentability or the scope of the claims, and were not submitted earlier due to the fact that the need for these amendments came to the attention of the applicant(s) upon receipt of the Notice of Drawing Inconsistency with Specification mailed on November 23, 2005.

In accordance with the Notice, a brief description of Figure 39 is added to the Specification. Accordingly, it is respectfully requested that this amendment be entered, and this application passed to issue.

In the event that there are any fees due with respect to the filing of this paper, please charge Counsel's Deposit Account No. 50-2222.

Respectfully submitted,

David E. Brown
